17. Memphis State
18. Arizona State
19. Oregon
20. Missouri

Terrapin Highlights: 1977-78 — 1981-82

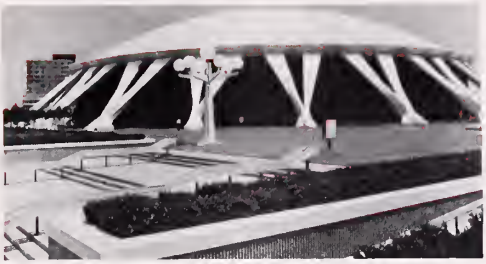
*Five consecutive national tournament appearances: twice advancing to the final four, in 1977-78 and last season, 1981-82.

*Five consecutive appearances in the championship game of the ACC Tournament: four times ACC Tournament champions — 1978, 1979, 1981 and 1982; runnerup 1980.

*Four 20 + victory seasons in the last five years: 1977-78: 27-4; 1978-79: 22-7; 1979-80: 21-9; 1981-82: 25-7.

*Only school to boast consecutive appearances in the top 20 poll each week since its inception in 1976.

1982 - 83 Terps SCOPE for Return Trip To Final Four



SCOPE Arena—Norfolk, Va.
Site of 1983 NCAA Final Four

NOW IN HER eighth year at the Terrapin helm, Maryland Coach Chris Weller hopes to pick up where she left off in 1981-82. After capturing their fourth ACC title in five years, Weller's Terps reeled off three consecutive wins in the first ever women's NCAA tournament before falling to eventual runner-up Cheyney State in the Championship semi-finals. Ranked in the pre-season polls of Street and Smith's and Women's Sports 7th and 9th respectively, Maryland's quest for another trip to the final four begins.

Only the front court pair of Myra Waters, Maryland's second all time leading scorer and rebounder, and Lydia McAliley, a defensive standout, are missing this time around.

Eight lettermen, two seniors, two juniors and four sophomores, return.

Leading the list of returnees are senior co-captains Jasmina Perazic and Debbie Lytle. Perazic, an all-tournament team selection in both the ACC and NCAA West Regional Tournaments, topped all scorers last year with a 15.2 average. A sharp shooter from the outside, she set a new single season record hitting 56.5% of her field goals.

Lytle also garnished numerous honors last season, capturing the MVP award at the Orange Plus Tournament and joining Perazic on the West Regional All Tournament team. The Terps most versatile player, Lytle scored 11.8 points per game while hitting 55.5% from the field, was second in rebounding, led the team in assists with 183 and set a new single season steals record with 89 thefts.

The junior pair of Marcia Richardson and Belinda Pearman round out the list of returning starters and double digit scorers. Richardson, co-MVP of the 1982 ACC Tournament, hit 52.3% of her field goals enroute to averaging 12.6 points per contest. She heads up the backcourt while Pearman, a member of the ACC All-Tournament team, lends experience on the front line, averaging 10.1 points and pulling in 172 rebounds.

Additionally, Coach Weller welcomes back four sophomores. As first year players last season, the foursome received invaluable tournament experience. Guards Chris Johnson and Julie Silverberg will aid the backcourt while centers Kim Johnson and Dorothy Smith will lend depth to the inside game.

Junior guard Rachelle Willett also returns to bolster the backcourt after missing last season with a knee injury that sidelined the quick guard from Long Island, New York.

Joining the veterans are five very talented newcomers. Locally, from Silver Spring's Blair High School, is first team all-Met selection Chris Vera. The 5'3" point guard is best noted for her superb ball handling and passing skills.

A trio of 6'0" forwards, Chequita Wood from Marshall High in Northern Virginia, Monica Gannon from Tuckerton, New Jersey, and Lea Hakala from Lahti, Finland look to bolster the front line. Wood tallied 1,506 career points and was voted the outstanding player of the McDonald's Capital Classic All-Star game. Gannon, from Pinelands High School, averaged better than 20 points per game her senior year while shooting 53% from the field. Hakala, selected to the 1981 All-European team, brings five years of international experience with her and has two years eligibility remaining.

6'3" Bonnie Baker completes the list of newcomers. Baker, a first team UPI Pennsylvania All-State selection, collected 1,702 points and 1,340 rebounds in her career at Mansfield High School.

Athletic Director

Richard "Dick" Dull

Dick Dull assumed the duties of Director of Athletics on August 1, 1981. He was appointed by the Board of Regents on June 19, 1981.

Well qualified for the position, Dull took over a department that he had worked his way through, beginning as a student athlete in 1964.

He came to College Park as an outstanding track competitor (javelin) from Biglerville High in Pennsylvania where he was the Pennsylvania High School Champion in 1961, the Pennsylvania Jaycee State Champion in 1963 and the PIAA State Runner-up in 1963. In 1965 he was the National Junior AAU Champion.

In 1967 Dull received his Bachelor of Arts as a Political Science major. As an undergraduate he was a champion javelin thrower for the Maryland Track and Field team. His best competitive throw was 251 feet.

Among his many titles won while at Maryland are Atlantic Coast Conference Champion, Penn Relay Champion, and ACC-SEC Champion. While an undergraduate he placed eighth in the National AAU Championships and eighth in the NCAA Championships.

He received his Bachelor of Arts as a Political Science major and then moved on to the Maryland School of Law, obtaining his Doctor of Laws in 1971. His bar memberships include the Court of Appeals of Maryland and the Federal Court for the District of Maryland.

He served from June 1971 to June 1973 as Attorney at Law, Legal Aid Bureau in Baltimore, Maryland and from June 1973 to January 1975 as Attorney at Law with the University of Southern California, National Senior Citizens Law Center. While with USC he served for a period as the Acting Director of the Washington office.

Since joining the Maryland Athletic Department his duties have encompassed everything from coaching on the field to scheduling, supervision and administration of all non-revenue sports, serving as liaison with the Office of Financial Aid, supervision and administration of the Business Office of Intercollegiate Athletics and the reorganization of the former Department of Women's Intercollegiate Athletics into the Office of Non-Revenue Sports.

Since taking over as Athletic Director he has reorganized the promotions department with staff members serving as Director of Marketing and Director of Sales and initiated new Athletic Department publications designed to whet the appetite of sports fans interested in Maryland Athletics.

Everyone felt his biggest challenge would be maintaining financial solvency at a time of rising prices, especially in the areas of equipment, medical care, insurance, travel and scholarships. Competition for the entertainment dollar was also at its peak.

He immediately formed an advisory group within the department that could provide departmental input and at the same time serve as a liaison with the other members of the department. This group for instance was called together and informed of the final decision on the hiring of Football Coach Bobby Ross prior to any public announcement.

Morale within the department is at its best, the department has maintained its solvency and there is a bright outlook for 1982-83 in all sports.

Head Coach

Chris Weller

Chris Weller
Head Basketball Coach

Chris Weller, entering her eighth year as head coach of the University of Maryland women's basketball team, has established herself among the top coaches in the country. A 1966 graduate of the University, Weller boasts a seven year coaching record of 151-46 at Maryland. Her first year as coach, Weller led Maryland to its first 20 victory season. Finishing out the 1975-76 season at 20-4, the Terrapins placed fourth in the EAIAW Regional Tournament and won the Maryland State Championship. Maryland again placed fourth in the region in 1976-77, and finished the season with a 17-6 record, ranked 13th in the nation.

The 1977-78 campaign was the most successful season ever for a Maryland basketball team. Finishing the year with a 27-4 record, Coach Weller's Terrapins won the first ACC Women's Championship and were runners-up in both the EAIAW Regional and AIAW National Tournament, ending the season ranked second in the nation.

Weller's third 20 + victory season came in the 1978-79 season, as the Terps turned in a 22-7 record. The season was highlighted by winning the 1st Orange Bowl Women's Classic Tournament, the ACC Championship for the second time, a second place finish in the EAIAW Regionals, and a trip to the AIAW National Tournament for the second year in a row. The Terps finished the year ranked 6th in the nation.

With only one starter returning from the 1978-79 squad, critics claimed that Maryland would falter. The critics were hushed as the Terps turned in their third consecutive 20 win season with a 21-9 record and a Sixth Place National Ranking as Weller led the Terps to their first ever EAIAW Regional crown and to the AIAW quarterfinals.

Dubbed a 'centerless' squad, Coach Weller's 1980-81 Terps suprised most observers as they finished 19-9, captured their third ACC Championship in four years, advanced to the quarterfinals of the national tournament for the fourth consecutive season, and received a ranking in the top eight for the fourth straight year.

Last season's 25-7 squad gave Coach Weller her fifth 20 + victory season. Highlights included an Orange Plus Tournament Championship at Syracuse, New York, a fourth ACC title, the NCAA West Regional crown, an appearance in the first ever NCAA Final Four National Championship Tournament and a 3rd place national finish.

While enrolled at Maryland, Weller played four years of varsity basketball, and was team captain for two of them. She was on the swimming team for two years and played on the first women's lacrosse team at Maryland. Following graduation, she taught physical education for seven years at nearby John F. Kennedy High School in Silver Spring for the Montgomery County School System where she coached basketball, gymnastics, track, tennis and lacrosse.

Weller returned to Maryland in 1973 and served as assistant basketball coach, working with the Junior Varsity program. She was named interim basketball coach in 1975 and has been the head coach ever since. In 1976, Weller was appointed Assistant Athletic Director for Women's Sports, a post she held until 1980. During her four years with the administration, she was active in building one of the finest women's athletic programs in the nation at Maryland.

A popular speaker at coaching clinics, Weller has attracted hundreds of girls to her annual basketball camp during the past six summers. She is also a prominent coach on the national level, twice serving as Assistant Coach at the AIAW - Hanes All-American Classic. She was Head Coach of the East Squad in the 1979 Classic and was Head Coach of the East Junior Women's team that won the gold medal at the first U.S.A. National Sports Festival in Colorado Springs, Colorado.

A nominee for Coach of the Year for three years, Weller has also been active in the advancement of women's basketball in other fronts. She was a member of the Kodak All-American Committee for the past three years, a member of the EAIAW Basketball Committee for four years, and the Chairperson and National Representative for two years.

and Her Record

1981-82	25-7	ACC	Final Four	3rd
TOTAL	151-46	NCAA Western Regional		

Sue Gorsuch

Assistant Coaches

Sue Gorsuch

Sue begins her third season as assistant coach to Chris Weller. Like Coach Weller, she is a Maryland alumna, receiving her B.S. degree in Physical Education in 1973. While attending Maryland she was a member of the basketball team for four years, the volleyball team for three and was a member of the lacrosse squad for one season.

Following graduation, the Frederick County native, began teaching and coaching at nearby Sherwood High School. An eight year stay at Sherwood saw Gorsuch coach volleyball, track and basketball.

At Maryland her duties include scouting, recruiting, organizing clinics throughout the state, and assisting with the summer camp. Somewhere around the hectic pace she finds time to enjoy sailing, skiing and softball.

Although the only non-alumna on the coaching staff, June Olkowski is no stranger to College Park or Coach Chris Weller. She begins her first season as a Terrapin assistant, removing her Scarlet Red of Rutgers to don the Maryland Red and White.

A 1982 graduate of Rutgers University (Physical Education), June played opposite the Terps for four seasons in some intense regional match-ups. The summer prior to her college days she played for Coach Weller's East squad at the United States Sports Festival in Colorado Springs, Colorado.

While at Rutgers she was a four year starter and is the Lady Knights all time career scorer with 1500 points. She also collected 780 career rebounds and co-captained the 1981-82 team to the AIAW National Championship. Capping off her outstanding senior year was her selection to the first team Kodak-AIAW and WBCA (Women's Basketball Coaches Association) All-American teams.

A native of Philadelphia, June graduated from St. Maria Goretti High School in Philadelphia.

June Olkowski

June Olkowski

Support Staff

Patti W. Flynn
Assistant Sports
Information Dir.

Patti Flynn is a 1977 graduate of Maryland and joined the Sports Information staff in 1978.

She is primarily responsible for the 10 sport women's program but works with all 22 varsity sports.

Following graduation she worked with the Maryland Educational Foundation in the areas of fund raising and promoting the Women's program.

She has hosted several AIAW regional tournaments and ACC championships and traveled with the basketball teams throughout the nation including the AIAW and NCAA finals in 1978 and 1982.

As an undergraduate she played for the Maryland basketball team and graduated cum laude with a B.S. in Marketing.

Patti came to Maryland from nearby Regina High. She and her husband Tim, also a Maryland graduate, reside in Silver Spring.

Sandra Worth
Women's Trainer

"Sandy" Worth begins her ninth year as head trainer for the ten women's Varsity sports at Maryland. A graduate of Maryland (1973), Sandy holds a B.S. in Physical Education.

Sandy was a Terrapin athlete, playing field hockey and basketball for four years. She became interested in the training field when she suffered an injury, but fortunately it was not a debilitating one and she was able to continue playing until graduation. Upon returning to the lineup she continued in a dual capacity as player and student trainer.

Now, certified by the National Athletic Trainers Association (N.A.T.A.), Sandy heads the women's training staff, coordinating the women student-trainers.

Jo Bagelmann
Asst. Director
Sports Marketing

Joe Bagelmann, into her fourth year with the University of Maryland's Athletic Department, assumed her duties as Assistant Director of Sports Marketing in April of 1982. Prior to this position she served as head secretary for Non-Revenue sports.

A native of Bowling Green, Ohio, Jo graduated from Bowling Green State University in 1962 with a B.S. in Health and Physical Education. She is presently working towards a Masters Degree from Maryland in Health Education.

In addition to assisting the Director of Marketing Randy Hoffman, Jo coordinates the Internship program within the Marketing Department.

She and her husband Hank reside in Lanham, Maryland with their two sons, Kurt 17, and Eric 14.

Nancy Shade
Secretary

Team Managers: Barbara Cohen, Lisa Essig, Kay Sturdevant, Jane Troxell

International competition tests the athlete to his or her extreme. The pressure of the actual competition is sometimes less than that experienced during the team tryouts. In any event, representing one's country in International Competition is both an honor and a reward to the long hours spent working on developing the athletic skills that ranks the athlete among the best in the world.

The University of Maryland women's basketball team boasts several players selected to represent their countries in International Competition.

Among these is Tara Heiss, the Terps' first 1,000 + career scorer. Maryland's starting point guard for three seasons, Heiss can best be remembered for the 1977-78 senior campaign which saw her team capture the first ACC Women's Championship and reach the final game of the National Championship Tournament, ending the year 27-4, ranked second in the nation.

In the summer of '78 Heiss was selected to the 12 player U.S. Women's team that toured the Orient, and was the only American chosen to the Big-Four All-Tournament team. In November of the same year she was again selected to play for the U.S. National team against the People's Republic of China National Touring team in Madison Square Garden.

In April of 1979, Heiss was selected to the U.S. Pan American squad that won its first World Women's Basketball Championship since 1957, in Seoul. In that tournament, Heiss was voted the most popular player. Heiss realized a major achievement when she was named to the 1980 United States Olympic women's basketball squad.

Kris Kirchner, a three year starter for Maryland and the Terps all-time career scorer and rebounder, also boasts tremendous international experience. Prior to attending the University of Maryland (1977), Kirchner was selected to the U.S. Jr. Pan Am Team that toured Mexico City and won the "Cristobal Colon Cup". The following summer (1978) she was part of the U.S. National Team that journeyed to the VIII Bulgarian Federation Tournament in Burgas, Bulgaria.

In 1979 she was chosen to the U.S. Pan Am team, traveling to the Far East and to Puerto Rico. The summer of 1980 saw Kirchner join former teammate Heiss on the U.S.

Krystal Kimrey

1978 Athletes in Action
1979 Athletes in Action

Olympic team which played exhibition games in Switzerland, France and Italy and was the winner of a pre-Olympic Tournament among 23 countries in Varna, Bulgaria.

Jane Zivalich, a four year letter winner at Maryland, was selected in 1977 to play on the United States Junior Pan-Am team in a tournament in Taiwan. A knee injury sustained in the semi-finals of the 1978 AIAW Championships kept her out of additional international competition.

Krystal Kimrey, who captained the Terrapins during the 1979-80 season, also gained international experience while at Maryland. She spent two summers touring Europe playing for the Athletes in Action team.

A two year standout forward for the Terps, Debbie Jones, played for the 1978 U.S. Select Team. A transfer from Pitt, Jones helped pace Maryland to their second place national ranking her senior year and is currently listed 8th on the all-time rebounding list with 412.

The Terps 1981-82 co-captain, Myra Waters was selected to the Mid-West Juniod Women's Basketball squad that attended the 1978 Olympic Festival in Colorado. She was then selected to the U.S. Junior team that was to tour Peru.

Terp senior Jasmina Perazic spends her summers at home in her native land of Yugoslavia. This past year she participated in the European Games. During the summer of 1980 she participated in the Moscow Olympic games where she started for the bronze medal winning Yugoslavian team.

Junior Marcia Richardson was selected to participate as a member of the East Squad in the summer of 1981 at the National Sports Festival in Syracuse. After a successful tournament she was one of 12 players selected to the Junior National team that toured Yugoslavia. This past summer, the current Terrapin again went International, playing in the Jones Cup Tournament for the U.S. National Team.

All past, present and future International Players serve as an inspiration to everyone involved with Inter-collegiate Athletics. For themselves an ultimate reward is achieved; for their programs and institutions tremendous pride is felt.

Where It All Happens

The University of Maryland enjoys what is probably the best location of any college in the United States.

The University is located in Prince George's County, the fastest growing county in the nation.

The University's immediate metropolitan neighbors are the two great cities of Washington, D.C. and Baltimore.

The 40 mile Baltimore-Washington corridor is one of the richest concentrations of resources and intellectual talent in the world today.

For the student at College Park, nine miles from the nation's capital, many of the country's best research facilities are within easy reach: the Library of Congress, the Shakespeare Library, the National Library of Medicine and that of Agriculture, to mention just a few.

In addition to traditional scholarly materials, all around College Park are the kinds of cultural opportunities and entertainment that only a major metropolitan area can provide. Washington's famous Kennedy Center for the Performing Arts houses a concert hall, opera house and theatres, is home of the National Symphony Orchestra and headquarters of the American Film Institute. Art galleries and theatrical companies abound downtown and in the cultural haven of D.C.'s Georgetown.

One of the great port cities of the world, Baltimore is just a 35 minute drive from campus. Known for its people's strong sense of neighborhood identity, the city's varied ethnic populations, industrial complexes and lively cultural life make it an attractive neighbor to Washington. Among its many attractions is the frigate Constellation, the first ship of the U.S. Navy, historic Fort McHenry and Francis Scott Key's "Star Spangled Banner", and the ethnic fore of the huge Lexington Market.

In this area of exceptional opportunities, College Park's relationship with the corridor's resources is not just one of proximity. Close working relationships have developed over the years between College Park and some of the country's most important agencies and institutions, from NASA to the Smithsonian to the Kennedy Center for the Performing Arts.

The Campus

Today, the University of Maryland at College Park (UMCP) is described as a Georgian Colonial campus, with nearly 200 buildings spaced across a rolling 1300 acre park-like setting. The College Park campus is a city of young people with all the advantages, excitement and problems of a community. While the focus of the campus community is on its academic and intellectual activities, the campus has its own daily newspaper, its own police department, an 18 hole golf course, hotel, stores, movie house, theatre, art gallery, pub, bowling alley, tennis courts and swimming pools.

An undergraduate student may specialize in one of 127 majors or create a program of individual studies. Pre-professional education is offered in 15 fields and the academically talented student may take advantage of the Honor's Program. The graduate student may choose from among 83 academic concentrations.

Noted for the academic strength of its programs, UMCP is one of 51 members of the prestigious Association of American Universities. Ranked among the top 30 universities in the nation, Maryland is currently the seventh largest university—and, with such size, comes quality. This means better facilities, not only in the day-to-day classroom, but also in the research and faculty staff. Our teacher staff consists of over 6,000 personnel—which brings our student/professor ratio down to 17-1. This allows us to offer a degree in a variety of fields.

The facilities, faculty, history and flexibility are not our only strengths. The University of Maryland is totally committed to the individual student, regardless of whether he or she is a freshman or a candidate for a Ph.D. A full-time advisor is provided by our Athletic Department for personal and vocational counseling for student-athletes.

Cole Field House

The athletic facilities at Maryland University are among the finest in the nation. Cole Field House, center of the Terrapin Athletic program, is home of the women's basketball team. Built in 1955, it is one of the most famous landmarks on campus. One of the largest facilities on the east coast, the 14,500 seat arena is a prime site for national and international competition.
